Dear Dr. Kim,

Thank you for sharing your wisdom at your May 2022 Reimagined Future of Food presentation; and, for contributing to the content for the Insights for Action Playbook – **Reimagined Future of Food Security and Climate Resiliency**.

Feel free to share it with your network, too.

We look forward to staying connected and to explore potential action partnership possibilities too.

Thank you again.

Download our 'Insights for Action' Playbook

Cheers,

Patrick Gossage

Board Director

About Rethink Sustainability Initiatives (RSI)

Rethink Sustainability Initiatives is Not-for-Profit **“think and do”** organization that engages, advises and partners with thought leaders, innovators, and organizations to advance the sustainability and resiliency of businesses, institutions and communities to thrive into the future. We provide access to progressive leaders and actionable insights for Canadians and our global partners through formal and informal discussions, community projects, action learning accelerators, digital and print publications and education.
